This semi-sweet red wine is produced from the indigenous variety "Shiroka Melnishka Loza" (Broad Leaved Vine of Melnik) in the Struma River Valley Region, where the soils and climate guarantee excellent grape ripeness. Melnik 13 is an exceptionally intriguing wine with intensive ruby color and pleasant aromas of herbs, cherries, tobacco and forest fruits. It is soft, rich, and well rounded with just the required touch of acidity to make it harmonious to the palate.
