

# Pliska VSOP

**5 Years Old**

**Age :** 5 years

**Alcohol :** 40% alc. By vol.

**Producer:** Vinex Preslav, Bulgaria

**This premium wine brandy has a warm to light red-brown color. The prolonged aging in wooden casks imparts refined and complex flavors, which are assertive and firm. Fruity flavors with a touch of delicious softness. Produced by a smooth and clear distillation of the essential flavor and aromas of selected red wines. Slowly fermented and barrel-aged to make hard cider. Then the wine is double distilled over an open flame to produce premium-quality brandy. This brandy is ideal either at room temperature or over ice after a delicious meal.**

**Pomorie's "Black Sea Gold" alcoholic drinks are produced using locally grown premium quality grapes and original recipes which conform to highest European standards and criteria for quality.**
