

Straldjanska muscat grape brandy

Age : 5 years

Alcohol : 40% alc. By vol.

Producer: Vinprom Yambol, Bulgaria

Straldjanska Muscat Matured Special Selection is a limited series of just 10 000 bottles.

Straldjanska Muscat Matured Special Selection is characterized by rich aroma and harmony, combining elegant muskat flavour and discreet notes of vanilla with gentle and long finish, which creates the personality of a special rakia.

This exceptional rakia is a unique blend, created by a mixture of carefully selected matured distillates, combined in a way, which accentuates to the highest degree the inherent muskat flavour.

The magic of creating the golden drink starts with the selection of the most ripe and aromatic grape of the sorts Muscat Ottonel and Tamianka. The best distillates mature at least 5 years in oak casks made of Bulgarian oak from Strandja Sakar and the river valley Kamchia.
