

# **Apothic Red**

## **Red Blends from California**

Category: Dry Red Wine  
Alcohol : 13.5% alc. By vol.  
Producer: Apothic Wines, CA

**Apothic Red is a masterful blend of intense flavors and luscious texture creates a truly unique experience. Zinfandel lends notes of dark fruit and subtle spice while Merlot and Syrah bring hints of black fruit and a smooth mouthfeel. They are complemented by Cabernet Sauvignon that contributes a firm structure and bold flavors. All of the varietals combine to offer layers of dark fruit that are enhanced by soft vanilla and mocha tones leading to a soft, lasting finish.**
