**A dense ruby purple color, the wine reveals a gorgeous and intense bouquet of jammy ripe cherry, blackcurrant, and blackberry, interspersed with sweet vanilla, lavender, and smoky oak. Very rich and full-bodied, this wine offers bold fruit impressions on the palate. The mouth feel is creamy, with gorgeous velvety tannins, which lead to a long finish. The wine will pair well with beef, lamb or veal that is roasted, grilled or au jus with wine sauces, onion, mustard and horseradish.**
