

Shumensko Beer 360ml.

Category: Beer
Alcohol : 4.6% alc. By vol.
Producer: Carlsberg Bulgaria AD

Shumensko has been brewed since 1882 and is one of the best-loved traditional beers in Bulgaria. In fact, Bulgarians love it so much that, even if they move to another country, they don't like to leave it behind. That's why Shumensko is now distributed to Bulgarian communities as far away as Portugal and Chicago, USA.
